PASTOR'S PONDERINGS

I love summertime! Growing up I spent the hot, humid, hazy days of summer barefoot, riding my bike, catching tadpoles in creek, swimming, building castles and forts in the gigantic sandbox my friend Scott had, and hanging out in large trees to catch a breeze. In the evenings, I gathered with the other kids in the neighborhood to play tag, catch fireflies and just lie in the cool Bermuda grass gazing at the stars until my parents called me home.

I don't run around barefoot any more, and I don't get to play as much as I did back then. I no longer feel as if time is almost standing still and I don't have a care in the world. But I still appreciate the slower pace of summer. I enjoy wearing shorts, t-shirts and flip flops. I'm thankful for less traffic with school being out and folks vacationing. I delight in watching fireflies and fireworks light up the sky at night. I enjoy coffee out on the deck early in the morning. Then there's ice cold lemonade to sip on in the steamy afternoons. And let's not forget ice cream! My grandmother introduced me to chocolate-dipped ice cream cones at Dairy Queen when I was a small child. I still love them, especially in the summer. I also love cooking out hamburgers and hotdogs, and also going out for good barbeque. And I mustn't forget to mention the fresh home-grown vegetables and fruits folks kindly share with me. Nothing like a BLT made with real summer tomatoes!

What do you like about the season of summer? I hope you're finding ways to enjoy it and not just waiting for the cooler, shorter days of autumn. Every season, every day is a gift from God. The seasons come and go. No two days are the same. Nothing lasts forever – except God and God's love for us made known to us in Jesus by the power of the Spirit. If you've lost touch with that eternal truth lately, I encourage you to go outside one night this summer, take off your shoes, lie in the grass and gaze at the stars.

PGUMC Music Notes From David Holladay

Sing and make music in your heart to the Lord!

My mother lives in Colorado on the boundary of the Colorado National Monument. Near to where she lives, is a huge rock formation called Independence Monument. Every 4th of July, a group of rock climbers work their way up to the top of the monument and plant the US flag on the top. It is a great event to watch from the top of the canyon walls that surround the rock formation, and a great way to celebrate the birthday of our great nation.

All through our nation there are many traditions of ways to celebrate our independence. I once watched a parade in Redstone, Colorado. It featured the “lawn-chair brigade”. A group of people who marched in formation carrying their lawn chairs and performing a lot of different antics with the chairs. It was fun to watch. Our own city of Cumming has an awesome parade featuring lots of steam engines making more noise than you can imagine. Haha! I love it.

We all need to cherish our wonderful nation and find ways to celebrate it on the 4th of July. There are many forces in the world and internal to our nation that would like to end our democracy and the freedoms that we all value so much! If we don't demand a godly and moral United States of America, then the forces of evil and immorality will cause it to crumble within our borders.

God is the source of all freedom. The Bible says we shall know the truth that comes from God and that truth will set us free. Jesus is the truth and He sets us free! We need to lift up Jesus in our lives every day.

God bless America!!

Prayer Networking/Caring Ministry

Is anyone among you in trouble? Let them pray. Is anyone happy? Let them sing songs of praise. ¹⁴ Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. James 5:13-14

If you have a need for special prayer, please call Jennifer Wisniewski at 404-226-0023 or 678-513-8116. If you would like to be part of this “CHAIN” call the coordinator or the Church Office at 770-844-7095 and your name will be added to the list.
